

Author's Note:

'Special thanks...'

Special thanks to my friends and family, whose love and enduring support has made all of this possible, and thanks must also go out to all the contributors who were kind enough to support me directly, including **Hiyu, Kaiyo, Taeliou Wolf, Dr. Foxenstein, Rogue, Casey the Otter, Chipio** and **Thor G. F. Mortensen**, in addition to other contributors.

Every contribution, piece of fan art and message of support that you send does more than you could imagine, and helps me write and make music independently! Thank you all!
